From the Publisher

Thirty seven years ago, The Pink Pages Directory began in Toronto with a simple idea. If you are a member of our community and you are looking for a business, you should be able to find one that welcomes you, respects you, and is happy to see you walk through the door.

That idea built this book, and still drives it today.

We are lucky to live in Canada. Here, our 2SLGBTQIA+ community has support much of the world can only wish for. Our governments stand with us. Companies, big national brands and small neighbourhood shops, stand with us too. They sponsor our events, they advertise in our pages, they hire our people, and they open their doors to us every day. I never forget what a blessing that is.

To every business in these pages, thank you for showing up. Please keep showing up. Your support keeps community businesses alive, and tells every person who picks up this directory that they matter.

And if your business has not joined us yet, consider this your invitation. Do not watch from the sidelines. Come in, be seen, and let this community get to know you. We notice who stands with us, and we remember it.

Now I ask something of our readers too. When you need a lawyer, a plumber, a restaurant, a gift, or a night out, start here. Support the businesses that support you. That is how this circle works. They stand with us, we stand with them, and everybody grows stronger because of it.

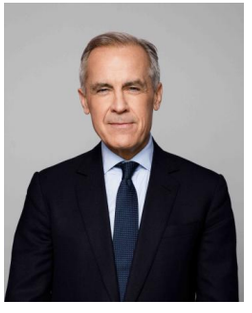

People ask me why this directory still matters. This is why. It is about trust. It is about a person finding a business where they can be themselves, and a business finding customers who will stay loyal for life because they were treated with respect from the first hello.

Here is to thirty seven years of community, and everyone who helps it grow.

Thank you, from my heart,

Antoine Elhashem

The Office of
MAYOR ANDREA HORWATH
CITY OF HAMILTON

Pink Pages Directory | 2026

On behalf of the City of Hamilton, I'm proud to welcome you to the 2026 edition of *The Pink Pages Directory*.

For more than 30 years, Pink Pages has helped people across Hamilton find community, connection and support. It connects the 2SLGBTQIA+ community with local businesses, services, organizations and resources where they can feel respected and celebrated for who they are.

This directory represents more than finding a business or service. It's about knowing where you can walk through the door and be yourself, supporting welcoming local businesses, and connecting with organizations and people who are there for you.

That sense of connection is part of what makes Hamilton such a special place to call home. Our city has always been built by people who look out for one another, and we are proud of the 2SLGBTQIA+ community - and the businesses, organizations, advocates and allies - who continue to make Hamilton more welcoming, inclusive and connected.

Thank you to everyone who helped bring this year's Pink Pages to life, including the publishers, contributors, advertisers and community partners. Your commitment keeps this important resource available to people across Hamilton.

I hope you'll explore this year's edition, discover a new local business or resource, and make a new connection along the way.

Most of all, I hope it reminds you of something we should never take for granted: **you belong here, and Hamilton is stronger because you are part of it.**

Yours sincerely,

Andrea Horwath

CITY OF MISSISSAUGA
OFFICE OF THE MAYOR

September 2026

Dear Pink Pages Directory,

On behalf of Members of Council and the City of Mississauga, I want to congratulate you as you mark the 37th Anniversary of The Pink Pages Directory.

Mississauga is driven by a spirit of entrepreneurship that provides jobs, supports families, and drives our economy forward. We are fortunate the directory continues to be a pillar in our community; a network of strength where residents can more than just shop. They can share experiences, support peers, and mentor new entrants in our market.

This past year I have been fortunate enough to participate at the opening of new Mississauga businesses including Craigs Cookies, a range of restaurants, and FTY Lab Canada, a 44,000 square foot soccer training facility.

Small businesses like those are the backbone of this second largest economy in the province. Our Council is dedicated to helping entrepreneurs to make us an even more attractive place to live, work, and play.

I am also proud to point out that your dedication has led to The Pink Pages Directory being recognized as “Best International LGBTQ Business Directory” - the longest published Canadian publication of its kind.

You are undoubtedly an incredible asset to members of the directory, and to all of us. Every day, you help Mississauga move forward with confidence and pride.

Congratulations on 37 years!

Sincerely,

Carolyn Parrish

MESSAGE

FROM THE MAYOR

I am writing to express support for the Pink Pages Directory on behalf of the Town of Orangeville. Our community is committed to fostering diversity, inclusion, and support for all residents, and the Pink Pages Directory provides a valuable resource in achieving these objectives.

The Pink Pages Directory's role in promoting 2LGBTQIA+ owned and friendly businesses contributes significantly to our town's vibrant and inclusive economic landscape. By offering a comprehensive listing of businesses and services, it not only empowers consumers to make informed decisions but also supports and raises visibility for our local entrepreneurs.

This initiative aligns closely with Orangeville's strategic goals to:

1. Enhance Community Cohesion: Promote understanding and acceptance across different community groups.
2. Support Economic Development: Encourage the growth of local small businesses and entrepreneurs.
3. Champion Inclusivity: Ensure that all community members feel represented and valued, regardless of their background or identity.

We believe that the continued publication and expansion of the Pink Pages Directory will further these goals, offering an inclusive platform for both businesses and consumers.

The Town of Orangeville values the contributions of the Pink Pages Directory in supporting our diverse population. We are enthusiastic about continuing our collaboration to promote an inclusive community for all residents.

Thank you for your dedication and service in upholding the principles of diversity and inclusions.

De l'éditeur

Il y a trente-sept ans, The Pink Pages Directory est né à Toronto d'une idée simple. Si vous faites partie de notre communauté et cherchez une entreprise, vous devriez en trouver une qui vous accueille, vous respecte et se réjouit de vous voir franchir sa porte.

Cette idée a bâti cet annuaire, et le guide encore aujourd'hui.

Nous avons de la chance de vivre au Canada. Ici, notre communauté 2ELGBTQIA+ reçoit un appui que bien des gens dans le monde ne peuvent qu'espérer. Nos gouvernements nous appuient. Les entreprises, les grandes marques nationales comme les petits commerces de quartier, nous appuient. Elles commanditent nos événements, elles annoncent dans nos pages, elles embauchent nos gens et nous ouvrent leurs portes chaque jour. Je n'oublie jamais la chance que c'est.

Quand une entreprise choisit de se tenir aux côtés de notre communauté, je veux qu'elle le sache. Vous n'êtes pas à l'extérieur. Vous faites partie de cette famille, et vous êtes les bienvenus ici.

À toutes les entreprises dans ces pages, merci d'être là. Continuez d'être là, je vous en prie. Votre appui aide les entreprises de la communauté à vivre, et dit à chaque personne qui feuillette cet annuaire qu'elle compte vraiment.

Et si votre entreprise ne s'est pas encore jointe à nous, considérez ceci comme mon invitation. Ne restez pas en marge. Venez, faites-vous connaître, et laissez notre communauté apprendre à vous connaître. Nous remarquons qui se tient à nos côtés, et nous nous en souvenons.

Maintenant, je demande aussi quelque chose à notre lectorat. Quand vous avez besoin d'un avocat, d'un plombier, d'un restaurant, d'un cadeau ou d'une sortie, commencez ici. Appuyez les entreprises qui vous appuient. C'est ainsi que le cercle fonctionne. Elles se tiennent à nos côtés, nous nous tenons aux leurs, et tous en sortent plus forts.

On me demande pourquoi cet annuaire compte encore. Voici pourquoi. C'est une question de confiance. C'est une personne qui trouve une entreprise où elle peut être elle-même, et une entreprise qui trouve une clientèle qui lui restera fidèle pour la vie parce qu'elle est traitée avec respect dès le premier bonjour.

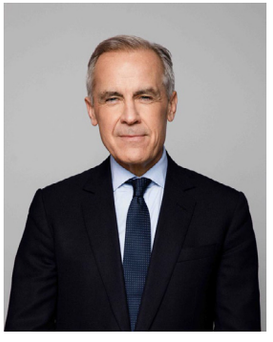

À mon équipe, merci de mettre votre cœur dans ce travail avec moi. À nos annonceurs et à notre lectorat, merci de croire en ce que cet annuaire représente, année après année.

Célébrons trente-sept ans de communauté, et toutes les personnes qui la font grandir.

Merci, de tout cœur,

Antoine Elhashem
